LBC Endowment Fund

The LBC Scholarship and Program Innovation Endowment Fund helps LBC invest in and grow its programs. It provides support to quality candidates who need assistance with tuition and enables innovation to the program.

Scholarships help ensure that each class reflects the diversity of our community in terms of demographics, ideas, politics, geography, industry, and more. Small businesses, nonprofits and government institutions have participated in the program only because of partial scholarships they received—and will continue to do so with the help of this fund.

Program investments could include expanding the opening or closing retreat, instituting community projects, or myriad other innovations.

Elayne Hettleman Campaign

In 2018, for our **35th Anniversary**, we have initiated a special campaign and the **Emerald Society** in honor of LBC's founding director, **Elayne Hettleman**. Elayne drove the organization forward for 30 years with kindness, courage and tenacity. We plan to honor Elayne by leveraging an impressive contribution in her name to our Endowment Fund which will continue to serve our community for years to come.

Emerald Society

As part of the **Elayne Hettleman Campaign**, donors who contribute **\$3,500** or more will be recognized as members of the **Emerald Society**. Those individuals will have their names on special campaign stationary and a page on the web site.

For more information on how you can contribute to our scholarship endowment fund, please email **Amanda Zinn** at azinn@leadbaltimore.org or call LBC at 410-583-5235.
